Greetings from Camp Penuel

I know that you have just received a letter from us, but this just couldn't wait until we send our next letter in June. We are really low on funds for this time of the year. We only have about \$300 in our camp account. However God has opened up an opportunity that is just amazing and a direct answer to our prayers. A married couple have contacted us and **offered to match dollar for dollar all donations up to \$10,000 that we receive by August 1, 2009.** They want to multiply the financial gifts that come in and be a blessing to our camp. Whatever the size of the gift up to the \$10,000 will be doubled, and we hope that people will take advantage of such a generous matching offer.

Please consider bringing this opportunity before your churches. We have the potential of raising \$20,000 for camp in this one effort because of the generosity of all who support this ministry and because of this wonderful couples matching offer. That would go a long way in covering what we need for the 700 kids that are coming here this season. We will give you an update on what this challenge drive has raised when we send out our next letter in June.

Just think about how awesome God is that every donation between now and August 1st will be doubled. We will either reach the limit set by the challenge donors or we will run out of time. God has never let us down and He has never failed us, and we believe that we can maximize this opportunity with all of your help. Thank you so much for considering being a part of this. We ask that you would pray and see what God would have you do, and pray that we can make the most of this amazing opportunity.
