May 12, 2010

Greetings from Camp Penueel

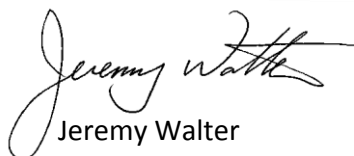

We have many great things to tell you in this letter! The same wonderful couple from Bradford, PA has once again generously offered to match every donation up to \$10,000. This is a time sensitive offer it starts now and it will expire on Friday, June 25th which is right before our first group of kids arrive for camp. This couple's vision for this offer is for us to have over \$20,000 before camp even begins. We hope that people will take full advantage of this offer and be encouraged to know that whatever amount you give will be doubled.

Here is another way to look at this matching offer. It cost us about \$200 per child once you factor in food, insurance, & expenses. So anyone that sponsors a child during the matching offer will really be making a way for two children to come to camp this year. We would love for people to have a chance to see how much of an impact their giving can have in the lives of the children that we are reaching out to. So every Thursday night we have our altar call service, and I invite anyone that wants to see God moving in these children's lives to come. You can see what you are sowing into firsthand and see the impact that God is making in their lives. I would just like to add that if you would just come and watch God move; the kids' lives will not be the only ones that will be impacted. It is great to hear about God moving, but it is life changing to experience it.

Our banquet was on May, 1 this year, and it was a wonderful time of fellowship. Thank you to everyone that came and helped us make it work. We raised \$2,500 and we are so thankful to everyone that gave. We had an incredible meal and some great singing and everyone got to hear more about what it is that we do here at Camp Penueel East. Oh and the homemade cheesecakes that my wife made were delicious. Thanks again to everyone for making it a success.

We have several staff positions that still need to be filled for this season; we need: Lifeguards, General Staff, Nurse, Maintenance, Cook, and Housekeeping, so basically we still need to fill almost all of our positions. I am not worried though, because it is like this every year. If I had my way all of these positions would already be filled, but Gods timing is so different from mine. He already has the perfect people lined up to work here this season. I just haven't met them yet. So if anyone is looking to earn a little extra and get paid for working at a great summer ministry then call us. You can also e-mail me directly: Jeremy@penueel.org. We know that God is in control and everything will work out and be in place when we need it.

We are really excited about everything that is coming up this season. We have 7 weeks of camp booked and even have a couple of weekends filled. We could have over 600 kids come through here this season as long as all of our groups bring the maximum number of kids. Camp will be here very soon and we ask that you would start to pray for the kids that will be coming here this season. It is never too early to ask God to prepare their hearts to receive Him. We know that a lot of kid's lives will be changed and we are eagerly awaiting our chance to be a part of that.
