Greetings from Camp Penuel

We just want to say thank you to everyone that made the \$10,000 matching offer such a success. We were able to match the entire amount right before we started our camping season. What a great way to start this season off. We are still about \$4,000 short of what we need to make it through the entire season, but we are confident that God will provide for all of our needs.

We want to spotlight that you can give to Camp Penuel East through the donate button on our website via PayPal. Our website is www.penuleat.org. This may not appeal to everyone, but if you want to donate via a credit or debit card this is a great way to give.

Please remember to pray for our camp this season. Please pray that all of the kids that come here will arrive safely and that God would keep them safe until they go home. Please pray for my wife and me and our staff as we prepare to do the work that God has set before us. This is a very rewarding ministry; however it can also be physically exhausting. We don't want to lose any enthusiasm or momentum as the season goes on. We know that many of you already pray for us and this camp we just want you to know that we covet your prayers. Keep on praying it matters not only to us but to every kid that comes here.

We wanted to send a letter in June, but we just got so busy with camp that it just wasn't possible. We will be sending you a letter after camp is over to tell of all of the wonderful things that the Lord has done. We just want to thank everyone in advance for continuing to support us throughout the season. We can't wait to see what God has in store for these kids.
