Activity & Sport Supplies

- Basketballs
- Volleyballs
- Tether-balls
- Kick balls
- Jump ropes
- Frisbee's
- Plastic inner tubes (kids would enjoy floating on these at the lake)
- Fun noodles (the foam flotation toys – fun for the pool or lake)
- Board games (with hundreds of different kids playing with them they wear out or lose pieces pretty fast)
- Coloring books and art supplies

Camp Equipment & Utility Supplies

- Patching materials (plywood to repair holes in buildings) "porcupine damages"
- Wire mesh to wrap the buildings (when we replaced our well house they wrapped the building in a wire mesh, and the porcupines haven't touched it since)

Wish List

- New John Deere Gator – or some type of utility vehicle with a dump bed (we use this for emergencies during camp and work around camp) This is something we can't afford, but we rely on our aging Gator everyday.
- Reciprocating saw – we keep borrowing one for certain projects
- A new roof for our dorm building.
