

Camp Penuel East Staff Information version 1.4

If want even more info please check out our website (www.penuleast.org)

Who are we: We are Camp Penuel East and we were established in 1994. Our organization was established in 1973 and we are headquartered in Ironton, MO with another camp in Costa Rica.

Type of Ministry: We are a Non Profit Christian Camp that provides free camp to “at risk” inner city kids age 7-11 for the purpose of evangelism. Over 87,000 kids have come to our camps and been offered Salvation.

How we are free: We are supported 100% by donations of individuals and businesses we receive no government support.

Where are we located: We are located at 56 Camp Rd Eldred, PA 16731 (we are 88 miles south of Buffalo, NY)

When does the job start: We need staff for the entire month of July into the first couple of weeks in August. The campers arrive on Monday afternoon and leave on Friday morning each week, we do not run weekend camps so weekends are free. The daily work schedule is from 7:00 am – 10:00 pm it’s a long day, but it is a very rewarding one.

What will you do: You will be on our camp staff (depending on your skill sets which may include special responsibilities) which includes leading the activity areas, being involved in the chapel services and ministry time. You will be involved in our worship services and altar time, you will help during meal times and will also help reset and clean between camp groups each week. Some of our staff will be counselors in the cabins with the kids.

What is included: We pay all of our staff every Friday plus room and board (some staff may earn more due to special skills or responsibilities). This is more of a ministry service than a job. You will not earn a lot of money working here; it is what we can afford and hope the reward of seeing deserving kids enjoy free camp and getting saved will supplement income. We do have a really nice staff house with separate quarters for men and women with everything that you will need to enjoy a comfortable stay for your time with us. It includes multiple private showers, multiple sinks, and restrooms, air-conditioning, and a private laundry facility that is connected to the staff house. We will take care of all of your meals and snacks everyday.

What do we have here: At Camp Penuel east we have a lake for boating, two pools for swimming, crafts, skits, puppets, singing, basket ball, soccer, kickball, volleyball, and group games. We have 26 acres of beautiful property with two play grounds that includes tether-ball and many other things to keep the kids and workers entertained.
