

Camp Penuel East Staff Information version 1.3

If want even more info please check out our website (www.penuleast.org)

Who are we: We are Camp Penuel East and we were established in 1994. Our organization was established in 1973 and we are headquartered in Ironton, MO with another camp in Costa Rica.

Type of Ministry: We are a Non Profit Christian Camp that provides free camp to “at risk” inner city kids age 7-11 for the purpose of evangelism. Over 69,000 kids have come to our camps and been offered Salvation.

How we are free: We are supported 100% by donations of individuals and businesses we receive no government support.

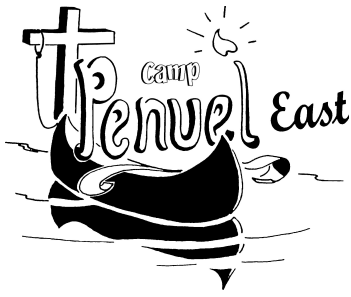

Where are we located: We are located at 56 Camp Rd Eldred, PA 16731 (we are 88 miles south of Buffalo, NY)

When does the job start: We need staff from June 22nd - August 10th (7 weeks total). The kids arrive on Monday afternoon or evening and leave on Friday morning each week, we will not be running weekend camps this year so weekends will be free. The daily work schedule is from 7:00 am - 10:00 pm it's a long day, but it is a very rewarding one.

What will you do: You will be on our camp staff (depending on your skill sets which may include special responsibilities) which includes leading the activity areas, being involved in the chapel services and ministry time. You will be involved in our worship services and altar time, you will help during meal times and will also help reset and clean between camp groups each week. You will not be counselors in the cabins with the kids because each group provides their own counselors.

What is included: We pay all of our staff \$50 a week plus room and board (some staff may earn more due to experience or responsibilities). This is more of a ministry service than a job. We know that it is not a lot of money; it is what we can afford and hope the reward of seeing deserving kids enjoy free camp and getting saved will supplement income. We do have a really nice staff house with separate quarters for men and women with everything that you will need to enjoy a comfortable stay for your time with us. It includes multiple private showers, multiple sinks, and restrooms, air-conditioning, and a private laundry facility that is connected to the staff house. We will take care of all of your meals even on weekends.

What do we have here: At Camp Penuel east we have a nature trail for hiking; we have a lake for boating, two pools for swimming, crafts, skits, puppets, singing, basket ball, soccer, kickball, volleyball, Foosball, and group games. We have 25 acres of beautiful property with two play grounds that includes tether-ball and many other things to keep the kids and workers entertained.
